Dear <Title> <Name>:

It is with great anticipation that I present my resume to you for a position as an **Elementary or Middle School Art Teacher**, with the <School District>. With a Master of Art Education Degree, a Bachelor of Arts Degree, as well as hands-on teaching experience, I am confident in my ability to become a valuable member of your academic team.

The enclosed resume will highlight my career accomplishments and demonstrate my solid creative, instructional, and leadership capabilities. Over the past five years, I have had the wonderful opportunity to instruct a diverse group of middle school students, and as a result, I have developed highly effective teaching techniques and instructional methods, which have allowed me to educate all styles of learners, and foster a fun and engaging learning environment that effectively teaches art appreciation, promotes creativity, and encourages growing independence.

One of my greatest strengths as an educator is meeting each student's unique needs by developing a personal understanding of each one of them. I achieve this by seeing and assessing the students as individuals, and tailoring lesson plans to accommodate multiple intelligences. Furthermore, I offer one-on-one and after-school support to ensure that all students are able to grasp the learning materials and enhance their personal skills. My goal is to increase student motivation, awareness, and understanding of the arts, while implementing interdisciplinary-based lessons involving social studies, science, math, language arts, and multiculturalism.

In closing, I welcome the opportunity to meet with you to discuss how my in-depth experience and unique skill set would benefit your academic program. Thank you for your time and consideration, and I look forward to hearing from you soon.

Sincerely,

Denise Someone

Enclosure

*"Denise is an enthusiastic, patient, and kind hearted individual, who will stop at nothing to provide a solid education for every one of her students. She is truly an inspiration to her colleagues."*

- Betty Smith, Science Teacher, ABC Middle School, Somewhere, CA
